The Center for Outpatient Medicine requires that you complete an online pre-admission with One Medical Passport. **Please take the time to complete your One Medical Passport as soon as possible.** The website guides you to enter your medical history online and helps TCOM determine if any pretesting (i.e. bloodwork, EKG, anesthesia visit, etc) is required **PRIOR** to your surgery.

STEP ONE: Begin Pre-Admission on Our Website

Begin at our facility website: www.tcomllc.com and click the "Online Patient Registration" link, which will take you to the One Medical Passport home page shown below.

STEP TWO: Create Your One Medical Passport Account

First time users of One Medical Passport should click the green **Register** button and create an account. Answer the questions on each page and **click save and continue**. Once complete, you will be prompted to click **Finish** to securely submit your information.
